Dear Kerry

I would like to express my gratitude to how you and NEU professionals agency have worked with us on the new Mental Health Nurse Pilot recruitment. I have enjoyed the fact that you are readily available to assist on all forms of communication, you are always willing to find solutions.

Your efforts in finding the pilot candidates has been acknowledged and appreciated and I hope that this relationship will continue to grow as we find solutions to nurses' shortages within the trust.

Yours sincerely

Nathaniel De Villiers

Project Manager,
International nurse recruitment project

CNWL share your clinical information with other healthcare professionals involved in your care, to support better informed clinical treatment and help reduce clinical risk. A patient information leaflet is available on request from services and further details can be found on the Trust website
