To whom it may concern

Dear Sir / Madam

CPFT have been working with NEU Professionals with regard to overseas recruitment since August 2021, initially with Nurses and now with Allied Healthcare Professionals since January 2022.

The Trust are currently in the process of interviewing Physiotherapists, Occupational Therapists and Dieticians. We have received a very good service from NEU and have had two days of Physiotherapist Interviews, with approximately 15 candidates to be interviewed. This is unprecedented numbers and are across different experiences and different bands.

We are looking forward to the applicants for Occupational Therapists and Dieticians and hopefully they will be of the same quality.

If you require any further information, I can be contacted on the above email address.

Yours faithfully

**Rachel King**
